Title: All is lost.

Author: Jacob Hanton

All is lost.

I have found no one that
will help me.

The Crux Ansata are
worthless.
The mages are too busy
to help a lowly farmer.

My childhood love tried...
but no one would listen
to me there besides her.

I came to Britain, only to
find the castle empty...
the King gone, the new
Queen dead and an empty
throne.

I am not sure what to
do... I have no choice but
go at this alone.
should anyone find this
note and wish to retrieve
my body before my wife
comes back home...

My farm is south south
west of Yew, far south
west of the entrance to
the city of elves.

Into oblivion I go...

Jacob Hanton, the fool.
